

What's Allowed in a Tool Sharpening repair form ?

- A pair of gardening shears
- A pair of garden loppers
- A pair of pruning secateurs
- A pair of lawn mower blades (please bring just the blades)
- A pair of kitchen scissors
- A pair of dress making scissors
- 1 hunting knife
- 1 folding pocket knife
- 1 Swiss army knife
- A cleaver
- 2 kitchen knives
- 1 serrated knife
- 2 chisels
- 1 shovel
- 1 spade
- 1 hand saw
- 1 axe

Please note that if you have more items than what is allowed in 1 repair form to be sharpened, you can create another repair form after the first repair form is completed.

Please transport your item safely and responsibly. Do bring your knife or any pointed or sharp edged items in a cardboard sleeve so that it can be reinserted into the sleeve for safe transport.

What we do not sharpen

- Other types of saws.
- Hair trimmers or hair dressing scissors or clippers
- Hedge cutters

but we know local businesses who do. Please ask for more info.
